Be A Responsible Pet Owner

- Responsible animal owners see to it that their animals are cared for and kept humanely. Unfortunately, many animal owners neither understand nor want to assume the responsibility of animal ownership.
- Harboring a pet at Fleet Activities Yokosuka is a privilege, not a right.
- All pet owners should be aware of Commander, Fleet Activities Instruction (COMFLEACTINST 6200.1N), Immunization, Registration, Housing and Control of Pets.
- Residents' Handbook further states that animals and animal premises shall not be permitted to disturb the peace or constitute a public nuisance or hazard and the responsibility as owners to pick up and properly dispose of their pet's droppings. (COMNAVFORJAPANINST 11101.15 Chapter 3., 318)
- If you witness violations to the above instructions, you may:
  - First, talk to the pet owner. If owner ignores you, submit a formal complaint at CFAY Security. Should violations continue, the Family Housing Office should be contacted.
    - Continued violations may lead to the removal of the pet from the installation and rescinding the authorization to own a pet.
